

Rosie's Ledger (Paperback)

By Daniel Eaves

Independent Publishing Network, United Kingdom, 2019. Paperback. Condition: New. Language: English. Brand new Book. A folktale mystery. A parable of neglect. A descent into horror. An isolated twelve-year-old confides in no one except her diary, until one day the diary writes back. As the pages' suggestions spill violently out into the real world, Rosie Marsden must discover who-or what-is making the entries. And to what dangerous end. Touching on issues of childhood neglect and mental illness, the underlying themes give a human voice to those who grow up in difficult circumstances, while the pacy plot provides us with a fulfilling mystery thriller, complete with disturbing supernatural elements. What readers are saying "I found it thoroughly engaging, I couldn't put it down. I made myself put it down before the end, so I could savor the end. A gripping tale full of good characters and a punchy ending." Martyn, Denver, USA. "There was a consistent...
