SCHOFIELD & SIMS LTD, United Kingdom, 2018. Paperback. Condition: New. Language: English. Brand new Book. Schofield & Sims Get Set Early Years is a comprehensive and engaging early years scheme that aims to bridge the gap between play and formal learning, helping all children to become school-ready by the end of Reception. Comprising twelve activity books and three accompanying teacher's guides, Get Set Early Years covers all the Early Learning Goals (ELGs) for Literacy, Mathematics and Understanding the world. Carefully designed to appeal to young children, each activity book page contains two stimulating activities for children to complete, such as matching, complete the picture, connect the dots, mazes, picture sequencing, colour by sound and odd one out. Additional features include a 'Teaching Tip', 'Notes for parents and carers' and 'Key Vocabulary' and 'Extension activity' sections to reinforce classroom learning. Get Set: Space and Measure introduces children to the many ways in which things can be measured. This book explores concepts such as big and small, over and under, near and far, long and short, light and heavy, and full and empty. A separate accompanying teacher's guide, Get Set Maths Teacher's Guide (ISBN 9780721714356), contains detailed teacher's notes, links to show corresponding pages in the activity book, and supporting photocopiable resources. A selection of free downloads, including a 'Handwriting chart' and a 'Learning diary', is also available from the Schofield & Sims website.
